

Elegance Banner Poles

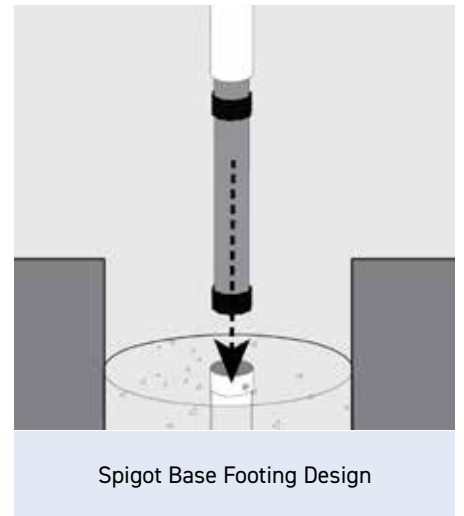

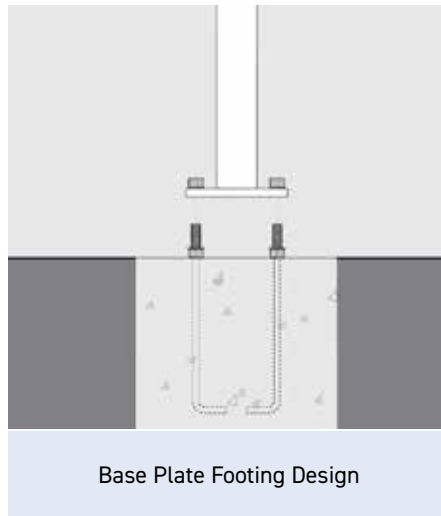

Abel's range of Elegance Banner Poles will suit any application. Featuring a sophisticated tapered design, and available in a range of heights from 6m-12m, Abel banner poles can be installed anywhere from lawn and garden beds, to existing concrete.

Our premium quality banner poles are manufactured from 6063T6 high-tensile aluminium and come with a choice of footing designs. With a tough power-coated finish, our banner poles are low maintenance and look terrific for years to come.

Our designs are computer analysed to ensure structural integrity for expected wind conditions and comply with all relevant Australian Standards.
