# Work Warranty Certificate

## Coaches Boxes

This letter is to certify that the structure supplied will be free of defects and structurally guaranteed for a period of 05 (five) years from the date of completion.

Abel will repair or replace any defective work which fails under normal working circumstances in which all care is taken to prevent damage.

This warranty does not include damages caused by vandalism or negligence after Abel signs off on installation.

All installations are covered by the same warranty if any of the fixings fail and cause damage to the main structure.
